

## **Java Developer**

[www.mbopartners.com](http://www.mbopartners.com)

MBO Partners, the leading provider of business solutions for independent consultants and their clients, is seeking a bright and talented Java Developer to join our fast-paced and growing development team. The Java Developer will use current and emerging technology to maintain and enhance MBO's corporate web based system that is the core of its business operations. This position is based out of Edmond, OK and reports to the CTO.

### **What they do:**

- Provide detail design for web based applications
- Maintain and create new object-oriented code using Java, JSP, AJAX, Java Script, SQL using IBM WebSphere development tools and production environments (IBM Websphere and DB2 platform)
- Focus on rapid development while maintaining the usability, scalability, performance, reliability and data integrity of web applications
- Operate in a fast paced team environment, following proper software development methodologies, including testing and QA

### **What is required:**

- BS in Computer Science
- 3 – 5 years of object oriented and web application programming experience with at least 3 years of Java
- A strong understanding of object oriented concepts, dynamic web application design and open source tools and web application frameworks
- Some experience in the following technologies: CSS, HTML DHTML, XHTML, AJAX, SQL, Java, JSP, SOAP, XML, Apache, Windows, Linux
- Professional experience designing, developing and deploying web based software solutions
- Ability to work independently or as part of a team in a customer service centric environment
- Strong leadership skills

**MBO Partners** provides a unique company culture where employees are valued and positions are structured to continuously provide career advancement opportunities.

### **Here are some of the good things you will find at MBO Partners:**

- Competitive base salary + quarterly bonus program
- Outstanding benefits package including 401(k) employer match, medical, dental, life and disability insurance

- 19 days paid leave annually in the first year
